FIXED ASSET CHECKLIST GUIDE

Compiled and Published by

DEPARTMENT OF FINANCE AND ADMINISTRATION
ASSESSMENT COORDINATION DIVISION

By Authority of Act 153 of 1955, as Amended

Sandra Cawyer, Director

https://www.arkansasassessment.com/
Introduction

This publication has been developed to assist assessors and staff in determining assessable items of furniture, fixtures, and equipment for a variety of commercial enterprises.

This is intended to be used as a discovery tool. When businesses submit lists of their fixed assets as required by law, or if they fail to do so, the classifications in this manual should help determine what items are typically found in that type of business.

This is a comparative tool. IT IS NOT INTENDED TO PROVIDE COSTS NOR VALUES. This will be a living document and over time will be continually revised, both in terms of business classifications and the property items of those businesses. When updated, it will be placed on our website for easy access. Updated versions will be dated appropriately.

Your input is welcome. While our staff has worked very hard to compile this information, there are likely many items that are yet to be determined. In the process of reviewing owners’ information provided to you, if you discover items that are not included in this manual, please feel free to call or email us to help update and improve it.

Questions or comments may be directed to Steve Sutterfield at Steve.Sutterfield@acd.arkansas.gov or by calling (501) 324-8558. You may also contact Stephanie Bartley at Stephanie.Bartley@acd.arkansas.gov or by calling (501) 324-9108.
